

Deck Hardware & Exterior Fittings

Polished Bronze Portlights

These heavy duty Davey portlights are traditionally hand made in England to the highest quality and CE approved for upper hull areas and cabin sides. Supplied with outside finishing rings they are fitted with toughened glass and have a polished finish. The 8" round opening and all three oval opening portlights have two closures for additional security. Chrome plate finish and reduced spigot lengths are available to special order. 12" opening and fixed available to special order.

Round Opening

Gunmetal	Glass Diameter		Flange Diameter		Spigot Diameter		Spigot Depth

Windscreen Fittings

The set consists of one centre and one pair of side brackets cast in gunmetal and chrome plated. Supplied without glass.

	Centre Bracket Height	Side Bracket Height
8750/CP/222	9⅞" 238mm	3½" 89mm
8750/CP/287	12" 300mm	3½" 89mm

NEW

Drip Cup

Cast in bronze with a polished finish, this new addition to our range is designed to catch the condensation that can drip from portholes. Also available chrome plated.

Bronze	Chrome	Width	Height	Projection
3010/GM	3010/CP	4¾" 120mm	2" 52mm	1¼" 34mm

Fly Screens

These fly screens are manufactured from stainless steel mesh and have a flexible outer rim that holds them firmly in the bore of the porthole. As a simple push fit they are easily installed without tools and can be simply removed and stored when not required. The door remains fully usable when the fly screens are in place. There is a size to suit each Davey porthole or any other porthole with the same internal shape and size. Other sizes can be made to special order.
