

Daveyshine

A high performance metal cleaner and polish ideally suited to bronze, brass, copper, stainless steel, aluminium, chrome and other marine metals. Its smooth paste formula is easy to apply accurately and when removed leaves a shiny surface and protective film, which delays re-tarnishing. Even heavily tarnished fittings can be restored. The handy 170 gram tub is long lasting as Daveyshine is used sparingly and the wide tub opening allows every last gram to be used.

Key Features:

- Cleans and polishes in one product
- Leaves protective coating
- Non-toxic, non-abrasive, non-inflammable
- No harsh acids, caustics or abrasives
- Low allergic risk
- Non spill formula & tub
- Also excellent for restoring fibreglass, plexiglass, eisenglass and lexan.

Part No. 5010/00/170

Lanoguard

Lanoguard is an all-purpose anti-corrosive, lubricant and water proofing agent that delivers superb results in a wide variety of applications. It can be used on metals, leather, plastics and other materials such as fibreglass.

Its principal ingredient is lanolin (wool grease), a natural oil that has been used throughout the centuries for the protection of weapons, leather and marine equipment. The combination of natural lanolin and today's technology makes Lanoguard's uses almost limitless.

Key Features:

- Tenacious lubricant
- Rust inhibitor/anti-seize
- Long lasting protector
- Non conductive
- Outstanding waterproofing
- Safe for leather, vinyl and rubber
- Environmentally friendly
- Non toxic and non carcinogenic

- Part No. 5055/00/025** 250ml Grease
Part No. 5055/00/060 600ml Grease
Part No. 5057/00/050 500ml Liquid Spray
Part No. 5057/00/200 2 Litre Liquid Spray

Stockholm Tar

A strongly preservative thick liquid used to preserve natural cordage and timber. Traditionally used to coat servings on rigging and is the substance added to oakum to stop it rotting. Worth having for the wonderful smell alone.
